engage@bradford.nhs.uk

Or call 01274 237717

Come and Join Us

We're offering you the chance to hear all about Bradford Districts CCG's progress and attend the presentation of the annual accounts.

There will be an opportunity to share ideas and thoughts about how we can become even better and how we can improve the quality of services for local people.

There will also be an award ceremony celebrating, practice volunteers, patient groups, practice staff and CCG community partners/ volunteers.

Who Should Attend?

Anyone can attend our AGM; you may use or have used the services, care for somebody who uses the services or simply have an interest in the services we plan and buy for our local population.

This is your opportunity to see what we've achieved, what we have planned for the future and to put forward your views.

Why Should You Attend?

You can see and hear about the innovative projects we are involved in which are 'improving quality of services' within our local community.

You will have the opportunity to take a stroll through market stalls showcasing CCG projects such as Bradford's Healthy Hearts, and self-care and prevention, etc.

You can meet our staff, ask them questions and influence our future plans.
